NeSL Digital Document Execution

Esign Consent

☒ hereby state that I have no objection in authenticating myself with Aadhaar based authentication system and consent to providing my Aadhaar number, Biometric and/or One Time Pin (OTP) data for Aadhaar based authentication for the purposes of availing of the Aadhaar based Digital Signature from National E-Governance Services Limited. I understand that the Biometrics and/or OTP I provide for authentication shall be used only for authenticating my identity through the Aadhaar Authentication system, for obtaining my e-KYC through Aadhaar e-KYC service and for the issuance of Digital Signature Certificate (DSC) for this specific transaction and for no other purposes. For the creation of DSC, I understand that the options that I have chosen are the ones that shall be populated in the DSC generated by the CA and I provide my consent for the same. I also understand that the following fields in the DSC generated by the CA are mandatory and I give my consent for using the Aadhaar provided e-KYC information to populate the corresponding fields in the DSC.

Common Name (name as obtained from e-KYC)

Unique Identifier (hash of Aadhaar number)

Pseudonym (unique code sent by UIDAI in e-KYC response)

State or Province (state as obtained from e-KYC)

Postal Code (postal code as obtained from e-KYC)

Telephone Number (hash of phone as obtained from e-KYC)

I understand that National E-Governance Services Limited shall ensure security and confidentiality of my personal identity data

NeSL Digital Document Execution

Telephone Number (hash of phone as obtained from e-KYC)

I understand that National E-Governance Services Limited shall ensure security and confidentiality of my personal identity data provided for the purpose of Aadhaar based authentication. I hereby agree to authenticate the information by digitally signing using e-Sign facility with my Aadhaar number. I have understood NeSL's declaration that my Aadhaar information will be used only for the above said purpose and also that my OTP will not be stored by NeSL and will be submitted to UIDAI (CIDR) only for the purpose of this transaction. The requirement of digital signature for authentication of information is mandated by section 214 of IBC, 2016 read with IBBI (Information Utility) Regulations, 2017 and the Technical Standards guidelines issued thereunder. I also hereby declare that I am aware of the exclusion of certain instruments from the purview of digital execution under the First Schedule of the Information Technology Act, 2000 and that digital execution is not a valid mode of execution for the instruments mentioned therein.

Document signing method

☒ Biometric Based Esign.

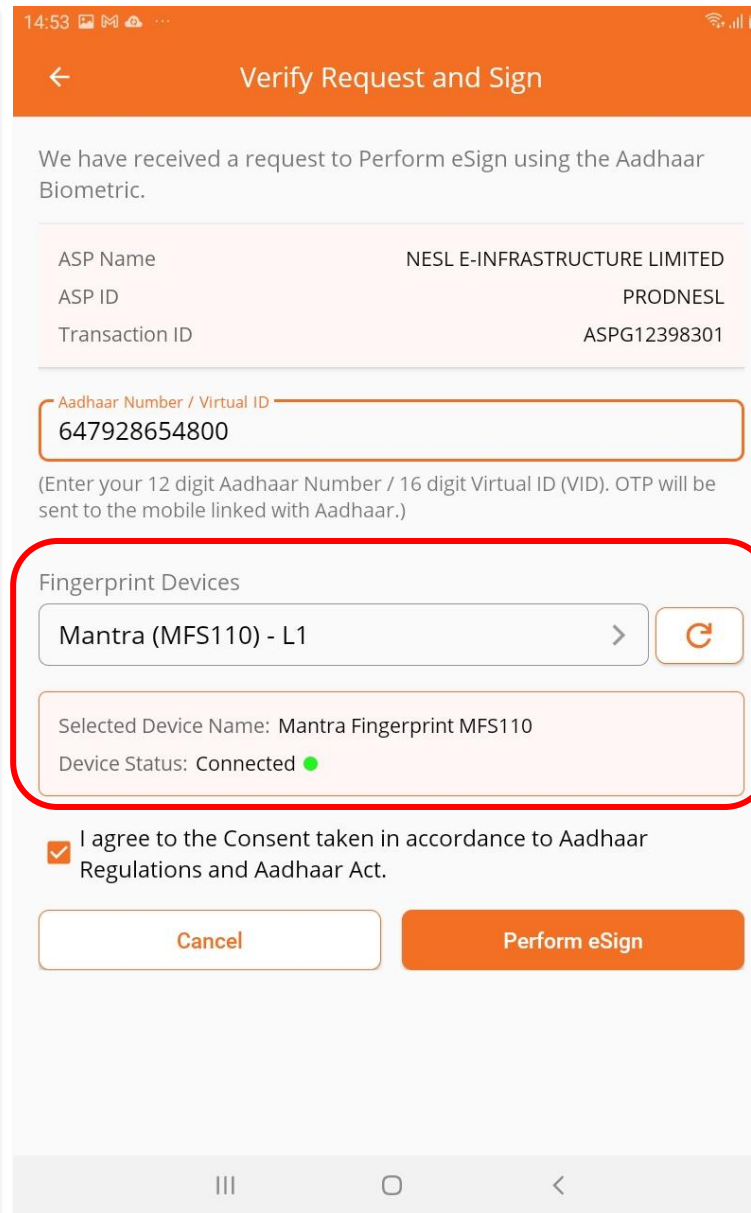

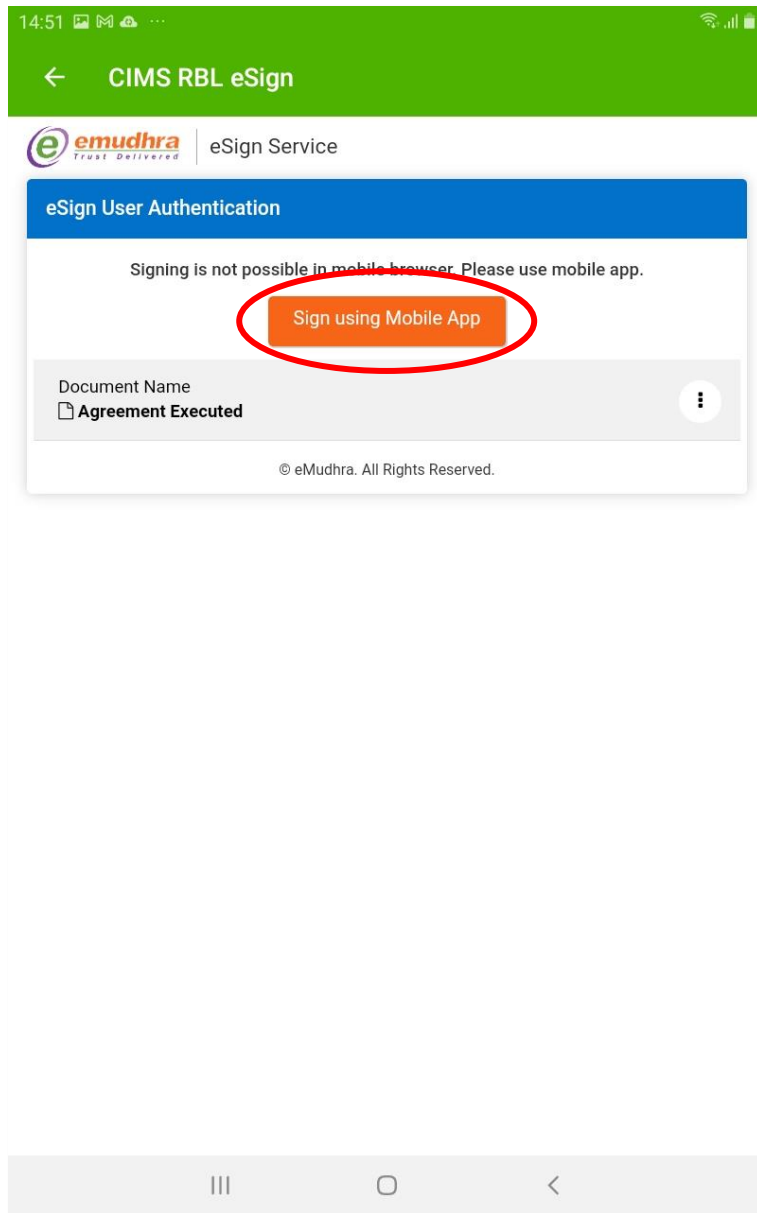

☐ e-Token Based Esign.

*The execution of the document is being done on the NeSL platform.

Esign

Ok

- If there is mismatch in customer during eSign process, you will get error message as **"Biometric data did not match"**.

Example :

- Member selected for eSign process is Customer **"A"**.
- But Aadhaar number entered is for Customer **"B"**.
- Captured signature is also for customer **"B"**, then you will get **"Failed status"** as wrong customer is signed.

Thank You
