#### Description

Dear Payodhi,

We request need your approval for instant QC as per below requirement.

1. Instant Customer-wise data/images received at backend for Instant QC Checking.
2. Backend QC team can check and Approve/Drop/Raise Query incase of any Image Discrepancy.
3. RO will have a Refresh button to know the Status of the QC of his customer.
4. Once after the Minimum Approval count of the Group Strength, RO can Complete the Group Formation and Upload to Backend team for further processing.
