Description

Dear sir,

As per our discussion requesting your approval for creating new server for migrating YBL and ESF Monitri application. Because during the production hours Monitri application has using more CPU & RAM, its affecting the production in all modules.

History

#1 - 09/21/2021 11:18 AM - Payodhi

- Status changed from New to Approved
- Assignee changed from Payodhi to karthikeyan

Approved,Pls proceed

#2 - 09/21/2021 11:55 AM - karthikeyan
