Description

Dear Payodhi,

The Karza integration aims to enhance the Voter ID verification process by seamlessly incorporating Karza services. This integration spans multiple stages of the verification process, ensuring a smooth and efficient validation of Voter IDs. The deliverable is a fully functional system that optimally utilizes Karza, leading to accurate and reliable Voter ID checks. This integration is designed to improve the overall effectiveness and efficiency of the verification process.

Please find the BRD of Karza Integration . Kindly review and approve the same.
