Dear Shiva,

Please find the Karza Keys that needs to be passed in the Header for Production.
Key – qzOsGLvoqMHLcWd

Kindly note that the transaction id that is to be passed as part of Case ID for NOCPL needs to start with 'NOC' followed by a unique no.

Voter URL: https://api.karza.in/v3/voter

Dear Siva,

In addition to this, kindly find the advice from RBL team on the Transaction ID as below,

3 Alphabets + 12 Numerical values = 15 Digits

Greetings,

kindly confirm is the given URL is UAT or Production for PAN Verification? Since we are getting Unathorized error.

Given url: "https://gateway.rblbank.com/prod/sb/rbl/api/v2/Pan/Verification"

We suspect it looks like a Production URL.
